

Import Color Information

Getting Started with Viewing the Color Chips in Adobe Acrobat

- A.** Click on the magnifying glass icon to "zoom-in" on a specific color chip.
- B.** To view a specific page use the "bookmarks" column on the left of the screen.
- C.** If the color chip you are viewing is too large for the screen, use the "scroll" arrows to view more of the page.
- D.** To get back to the Main Menu, where you can select other manufacturers, click on the "Color_CD_Menu" button on the "Taskbar" at the bottom of your screen, or simply close the window.

The color chips in this presentation are only a representative of the color, and should only be used to identify the color information.

Color Formulas are available using the listed manufacturer code or color name on SmartCOLOR™, SmartTRAK™, or call BASF at 1-800-758-BASF(2273) or visit us online at www.basfrefinish.com
